

Is Elon Musk The Anti-Christ?

By Reverend Simon Eves

The Anti-Christ is said to be a male who sets out to acquire great fame and wealth through manipulations of the media and the economic systems. Elon Musk fulfills this prophecy.

The Anti-Christ has a vast network of sycophants who worship him. The Elon Musk fan-boy sheep fully meet this prophetic requirement.

The Anti-Christ is supposed to be a white male with overt charm and a symmetrical classic facial structure..again: Musk.

Cultural worship ceremonies are used to invoke the false god. Burning Man and TED TALKS are hedonistic church-like Sodom and Gomorrah events which seek to build a pseudo religious impression of Musk.

A vast network of evil, rich and powerful men are said to act as Protectors of the Beast. The Silicon Valley venture capitalists are as rich, powerful and as evil as you can get and they cover Musk's trail along with the indisputably evil and global Goldman Sachs.

The sycophants of the Anti-Christ are said to spread the word of his coming "near and far" via "great fanfare" and "false promises". Musk's media partner and investor: Google, serves this purpose fully.

Musk is constantly sued for fraud and abuse. If you read all of the many lawsuits against you will read awful tales of a man with a twisted and warped ideology who uses power and money for dark and sinister purposes. This is Anti-Christian as much as anything.

Great wars will be started in the name of the Anti-Christ. Musk has risen at the time when Iran, North Korea, China, ISIS and most of the Middle East are moving into hellish battle mode. Musk's disruption of the Oil Economy has had a large amount to do with these chess piece moves into position for a nuclear holocaust.

Musk gets the private meetings with Presidents and world leaders. His staff are from the CIA, IN-Q-Tel, Google's political lobbying group and other spooky manipulators of world power.

In [Christianity](#), the **Antichrist** (Greek: Ἀντίχριστος, [translit. antichristos](#); Hebrew: אַנְטִיכְרִיסְט) or **False Messiah** (Greek: Ψευδής Μεσσίας, [translit. pseudés Messias](#); Hebrew: מְשִׁיחַ שֶׁקֶר) is generally regarded as a figure of **evil** that will **falsely claim to be the Christ (Messiah)**. The **term Antichrist** is found in the **New Testament** five times in **1 John** and **2 John**, once in plural form^[1] and four times in the singular.^[1] **Jesus**, whom **Christians** believe to be the **Jewish Messiah** (the **Christ**), will appear in his **Second Coming** to Earth to face the Antichrist, who will be regarded as the greatest **false messiah in Christianity**. Just as Christ is the **savior** and the ideal model for humanity, his opponent will be a single figure of concentrated **evil**, according to [Bernard McGinn](#).

In **Islamic eschatology**, **Masih ad-Dajjal** (المسيح الدجال) is an **anti-messiah** figure (similar to the Christian concept of Antichrist), who will appear to deceive humanity before the second coming of "Isa",^[2] as **Jesus is known** by **Arabic-speaking Muslims**.

In some schools of non-legalistic medieval [Jewish eschatology](#), a comparable (parodic) anti-Messiah figure, son of a [virgin](#), is called [Armilus](#), "a king who will arise at the end of time against the [Messiah](#), and will be conquered by him after having brought much distress upon [Israel](#)."^[3] The concept of an *antichrist* is absent in traditional Judaism; however, in the medieval [diaspora](#), his inevitable destruction is narrated as the symbol of ultimate victory of good over evil in the [Messianic age](#).

Musk is anti-union. Musk is covertly Anti-Israel. The Middle East war Musk has set-up with the oil trading groups is likely to bring about the nuclear destruction of Israel.

Almost everything Musk says turns out to be later found to be a lie. Musk is certainly "The Great Deceiver".

Musk's black Tesla's which run off of fire and flame causing self-exploding lithium ion is what helped cause, and extend the Afghanistan War in order to mine lithium. Musk's rockets explode in flaming fireballs from hell when they are trying to launch their spy satellites designed to ensnare the world's communications and information.

Musk must be stopped.
